

# TLILIC2005 - LICENCE TO OPERATE A BOOM-TYPE ELEVATING WORK PLATFORM (BOOM LENGTH 11 METRES OR MORE)

## Course Description

This unit will provide applicants with the skills, knowledge and information to safely operate a boom-type elevating work platform (boom length 11m or more), and to enable them to undertake assessment with a SafeWork SA registered Assessor for a licence to perform High Risk Work. Units are based on the requirements of the National Standards for Licensing Persons Performing High Risk Work.

It involves the operation of a telescopic, hinged or articulated device or any combination of these used to support a platform on which personnel, equipment or materials may be elevated to perform work.

## Contents

- identifying workplace hazards, control measures and appropriate standards,
- selecting plant appropriate to the load and workplace conditions
- Identifying relevant communication methods and procedures.
- planning work
- Conduct routine checks
- Set up elevating work platform
- Operate elevating work platform
- Shut down and secure elevating work platform.

## Entry Requirements

- There are no pre-requisites for this unit; however the minimum age for licensing is 18 years.
- To obtain a licence, applicants must be able to provide 100 points of identification to Service SA or Australia Post along with the Notice of Satisfactory Assessment issued by your Assessor.

## RPL

Do you already have many of the skills that are being taught in this course? Transform Training recognises existing skills and prior learning through our Recognised Prior Learning (RPL) Program, because there is no need to learn what you already know. Talk to our staff about RPL today.

## Delivery & Assessment

Training and assessment is conducted on site and is structured on a flexible basis to meet the needs of the organisation and students and includes classroom theory and practical on-job training. Assessment is competency based and will include a mixture of classroom based exercises and practical demonstration of skills.

## Pathways

Successful assessment outcomes from this training will result in a Statement of Attainment; that may be used for recognition in a relevant qualification.

## Materials and Equipment

- Students will be provided with all written and physical materials required to complete the assessment.
- Students must wear long trousers, a long sleeve top and steel-capped boots.

## More Info

Students should also refer to the Student information booklet and fee schedules for detailed information on Transform Training's policies and procedures including:

- Work, health and safety
- Fees and charges
- Refunds
- Grievances and disputes
