## Entry Requirements

- While there are no prerequisites for this unit, applicants must be able to use and understand basic English and be confident with working confined spaces.
- Applicants aged 16-18 years should hold a current White card.
- All applicants must provide photo ID (e.g. Australian Driver's Licence)

## RPL

Do you already have many of the skills that are being taught in this course? Transform Training recognises existing skills and prior learning through our Recognised Prior Learning (RPL) Program, because there is no need to learn what you already know. Talk to our staff about RPL today.

## Delivery & Assessment

Training and assessment is conducted on site and is structured on a flexible basis to meet the needs of the organisation and students and includes classroom theory and practical on-job training.

Assessment is competency based and will include a mixture of classroom based exercises and practical demonstration of skills.

While trainers and assessors will make reasonable adjustments to enable clients to demonstrate the required level of competence Transform Training cannot guarantee that all students will be successful in this.

## Pathways

Successful assessment outcomes from this training will result in a Statement of Attainment; that may be used for recognition in a relevant qualification.

## Materials and Equipment

- Students will provided with all written and physical materials required to complete the assessment.
- Students must wear fully enclosed non-slip safety footwear, shirt and long trousers.

## More Info

Students should also refer to the Student information booklet and fee schedules for detailed information on Transform Training's policies and procedures including:

- Work, health and safety
- Fees and charges
- Refunds
- Grievances and disputes
